

## PREMIUM-GRADE CAR & TRUCK WASH

EXPERTISE THAT PARTNERS WITH YOU

### Pro Wash N Wick™

Pro Wash N Wick offers a unique combination of features that raises the bar in vehicle wash.

#### PART NUMBER:

U81335 (5 gallon pail)  
U81385 (60 gallon drum)  
U81389 (275 gallon tote)

#### ■ WHAT SETS US APART

**Cleans Quicker** - Pro Wash N Wick™ lifts dirt and grime with ease, making washing your vehicle a breeze. Our proprietary blend of cleaning agents penetrates deeply to remove stubborn contaminants and **leaves behind a high-gloss spot-free shine.**

**Dries Faster** - Our cutting-edge, concentrated formula guarantees accelerated drying for your vehicles, optimizing efficiency and enabling your fleet to get back on the road quicker.

**Resists Resoiling** - Pro Wash N Wick's advanced formula resists resoiling, which means your vehicles will stay cleaner longer. This not only reduces the frequency of washes but also helps maintain the appearance and lifespan of your fleet.

#### ■ FEATURES / BENEFITS

- High foaming action cuts through the toughest road film, diesel exhaust, bugs, road salt and brine
- Works in one application AND is self-drying (High gloss Spot-free Shine)
- Foaming equipment applications. Drive through friction, touchless gantry systems, hand or pressure washing
