

EXPERTISE THAT PARTNERS WITH YOU |

HAND CARE

TOUCHLESS FUZION DISPENSER
A touch-free dispenser with a proprietary refill system that can be used to dispense foam, spray, or liquid products.
593301 (each)

FUZION INSTANT HAND SANITIZER GEL
70% alcohol formula, residue-free which leaves hands feeling fresh and renewed.
355816 (4-1200 mL/cs)

FUZION AB FOAMING HAND SOAP
A foaming antibacterial hand soap that is useful in all office and public bathrooms. It effectively removes soils, and is mild on the skin leaving a pleasant fragrance.
338816 (4-1200 mL/cs)

AIR CARE

METERED 3000 ULTRA DISPENSER
Sleek design with simplified user interface that allows for easy and flexible programming.
• Uses 2-AA Batteries (1 Year Life) or 4-AA Batteries (2 Year Life)
• Designed to meter an exact amount of odor control based on settings
• Innovative light sensing technology ensures that dispenser operates only when needed
• Magnetic lock ensures secure, continuous fragrancing
689801 (each)

METERED 3000 ULTRA DISPENSER
Complex premium high quality fragrance with essential oils ensuring long lasting experience.
• Dual odor counteractants specially designed for strongest malodors
• Dual 2-piece actuator system creates micron dispersion eliminating fall out
• 30 days of continuous use when set at 15 min intervals
336201 (12/cs)

LAUNDRY

POWERPLEX
A Powerful Liquid Laundry Detergent
Heavy-duty, liquid detergent effective on oily soils. Brightens fabrics and is hard water tolerant.
• Composed of surfactants, citrus solvents, and optical brighteners
• Citrus Fragrance
87035 (5 gal)

SURFACE CLEANERS

ZDS Plus 5 Product 4+1 Dispenser
Designed for 5 products – 1 bulk fill and 4 quart fill dispensing outputs
Part of Zep Dilution Solutions Plus (ZDS+), unique chemical mixing systems that provide simplicity, safety and one-handed convenience.
DC01544 (each)

A-ONE
Heavy-Duty Industrial Cleaner & Degreaser
A concentrated, extra heavy-duty industrial cleaner with wetting agents, and oil dissolving solvents.
• Cleans concrete and masonry, brick, tile, and most industrial and institutional surfaces.
• Low foam formula - ideal for use in automatic floor machines
126924 (4-1 gal/cs) 126935 (5 gal)
126985 (55 gal) 126989 (275 gal)

APRIZA 2
Multi Surface Cleaner – Bathroom, Glass, Floor
A concentrated, all-purpose hard surface cleaner and sanitizer fortified with peroxide and specifically designed for all light to heavy-duty cleaning tasks. Low ph product and contains no harsh solvents, complies in all voc-regulated areas.
(EPA Reg. No. 6836-78-1270)
125124 (4-1 gal/cs) 125135 (5 gal)

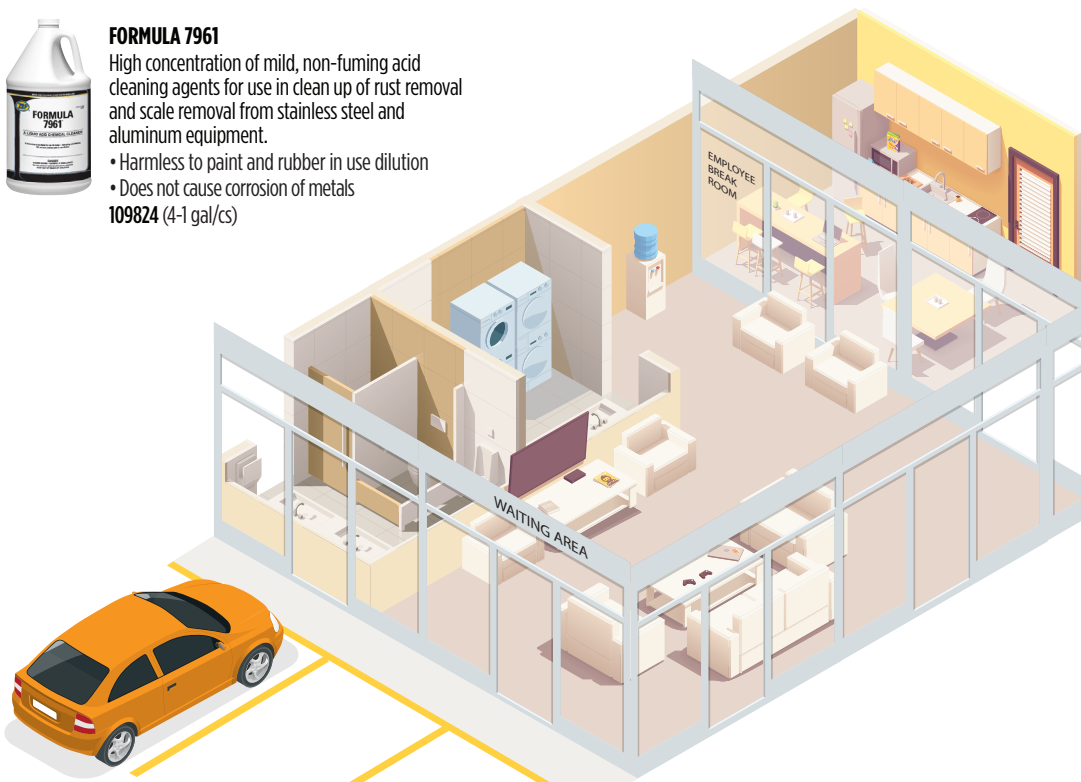

TUNNEL CLEANER

FORMULA 7961
High concentration of mild, non-fuming acid cleaning agents for use in clean up of rust removal and scale removal from stainless steel and aluminum equipment.
• Harmless to paint and rubber in use dilution
• Does not cause corrosion of metals
109824 (4-1 gal/cs)

LUBRICANTS & PENETRANTS

Zep 45 SIDEWINDER
Super Penetrant – rusted nozzles
Fast spreading, rust busting, super penetrating solvent that loosens, cleans and also offers a light film lubrication.
• 50 state compliant
• Superior penetration. Fast spreading
• Cleaning action to dissolve grease
B41801 (12 cans/cs)

ALL PURPOSE HI TEMP GREASE
Multi-purpose grease – all moving parts
All-purpose, high-temperature multi-purpose grease that can withstand heavy impacts and pounding pressures, high temperatures, and anti-splatter.
312104 (10 x 14 oz cartridges)
312101 (40 x 14 oz cartridges)
312134 (45 lbs)
312142 (120 lbs)

Integrated Solutions for your

VEHICLE WASH PROGRAM

REDUCED TOTAL COST OF OWNERSHIP

- Boost Customer Experience
- Improve Operational Efficiency
- Increase Product Performance

INTEGRATED SOLUTIONS

Industry leading technical expertise and comprehensive portfolio of product capabilities to improve everyday processes in the vehicle wash sector.

PRE-SOAK

Zep LOW PH PRESOAK XT-2496 Low pH Vehicle Prep

High-foaming, mildly acidic detergent designed to be utilized as the first step in a two-phase wash process. Allow up to 30 seconds of contact time before application of a high pH detergent. May be used in conjunction with frictionless or hybrid systems.

- Brightens paint – low pH formula makes vehicle look shinier and brighter
- Enhances drying and reduces residual alkalinity to improve the performance of drying agents, sealers, and clear coat protectants
- Does not contain Hydrofluoric Acid (HF) or Ammonium Bifluoride

898335 (5 gal) 898350 (20 gal) 898385 (55 gal)

Zep HI PH 2601 VEHICLE WASH Heavy-Duty Alkaline Detergent

A multi-purpose, moderate foaming, liquid detergent formulated for touch-free and hybrid washing.

- Penetrates and loosens road film and bug residues without scrubbing
- Rinses completely and freely, leaving a film-free, shining surface

J53335 (5 gal) J53350 (20 gal) J53385 (55 gal) J53389 (275 gal)

Zep XT-1398 HIGH PH PRESOAK High pH Presoak

A high foaming, non-caustic, high pH, presoak that penetrates and loosens bug residues and road film. May be used in prep areas, as presoak shampoo, as well as in-bay automatic touch-free wash applications.

- Specially formulated to quickly penetrate and loosen soils
- Covers the vehicle in copious amounts of foam

988535 (5 gal)
988585 (55 gal)

SHAMPOO, HAND WASH, MITTER LUBRICANT

Zep BLUE MARVEL

High Foaming Car & Truck Wash

An economical, concentrated and high-foaming liquid detergent formulated for brush car and truck wash facilities.

- Contains a blend of heavy-duty synthetic detergents, emulsifiers, foam boosters, synergists and water-soluble lubricants
- The cleanser is biodegradable and phosphate-free
- Its thick, stable foam allows for complete coverage and excellent cling-time to vehicle surfaces, making it perfect for use at self-service washes as well as single-cycle and reclaim-type operations
- Removes road film, winter salt deposits and heavy soil and will not damage or strip commonly used vinyl top dressings or vehicle finishes
- Does not emit unpleasant odors after extended service-life in reclaim-type operations and will not irritate the skin, eyes or respiratory tract
- Contains no APE (NPE) surfactants or EDTA

35635 (5 gal)
35685 (55 gal)

Zep FOAM BRUSH SHAMPOO

Phosphate-Free General Purpose Cleaner

A specially-formulated product for use in self-serve foam brushes. It will effectively remove road film, winter salt deposits, and heavy soil. It will also perform well in all water types, plus it is biodegradable and phosphate-free, and will not harm vehicle surfaces.

- Copious amounts of pink foam shows customer how hard it is working
- Provides excellent cleaning, foam, pink color and cherry fragrance at dilutions up to 1:800

82235 (5 gal)
82250 (20 gal)

Zep Z-MAXX POWDERED DETERGENT Economical, Powdered Detergent

Cuts through dirt, grime and road film on large vehicles and equipment. It is free-rinsing, prevents spotting and uses only biodegradable detergents.

- Provides excellent brush lubrication to reduce wear and scratching, generates plenty of stable suds and works in hard or soft water
- Manual and pressure wash systems

M96633 (35 lb)
M96640 (100 lb)
M96680 (500 lb)

DRYING AGENTS

Zep FORMULA 75 Rinse Agent

A liquid rinse additive for car wash operations combining drying agents, water soluble solvent, aliphatic hydrocarbons, surfactants, and water. Automatic carwash drying agent that performs in both hot and cold applications. Applies wax protection in final rinse leaving a glossy, water-beading shine while improving blower efficiency and wipe-down.

- Economical—Easy To Use—Accelerates Drying—No Water Spotting—Long Lasting

58735 (5 gal) 58785 (55 gal)

DISCOVER BRILLIANCE WITH EVERY WASH

Zep PRO WASH N WICK

Premium-Grade Car & Truck Wash

- Cleans Quicker - lifts dirt and grime with ease, making washing your vehicle a breeze. Our proprietary blend of cleaning agents penetrates deeply to remove stubborn contaminants and leaves behind a high-gloss spot-free shine
- Dries Faster - Our cutting-edge, concentrated formula guarantees accelerated drying for your vehicles, optimizing efficiency and enabling your fleet to get back on the road quicker
- Resists Resoiling - Pro Wash N Wick's advanced formula resists resoiling, which means your vehicles will stay cleaner longer. This not only reduces the frequency of washes but also helps maintain the appearance and lifespan of your fleet

U81335 (5 gal) U81385 (55 gal) U81389 (275 gal)

INTERIOR FRAGRANCE

Zep AIR FAIR BLUE SKY

An environmentally preferred, water-based deodorant that contains a concentrated, highly effective blend of odor neutralizing and masking agents, which impart a nice, fresh fragrance to the treated area.

- Read-to-use. No dilution required. No waste. No spillage. Comes with trigger sprayer for handling ease
- Just a small amount provides effective odor control
- Action keeps working—often several days or more in certain applications

203901 (12-1 qt/cs)
203952 (2.5 gal)

CLEAR COAT PROTECTANT

Zep FOAMING CLEAR COAT PROTECTANT with Peach Fragrance

Covers the vehicle with foaming action while conditioning and protecting the clear coat finish with top quality ingredients, UV barrier, and rust inhibitor additives.

- Foaming action with peach fragrance lets customer know that product is being applied and then dissipates within seconds leaving behind superior shine and protection for the vehicle finish
- Foam will not spot or leave a residue on vehicle surface
- Designed to be used in the clear coat protectant step of any full-service or self-service, exterior-only or in-bay automatic carwash

821735 (5 gal)
821750 (20 gal)

TRIPLE FOAM POLISH

Zep SPECTRA-SHINE FOAM SYSTEM

Super-Concentrated, High Foaming, Phosphate-Free Polish with Rust Inhibiting Additives

Formulation rinses easily from vehicle's surface and enhances performance of drying agent. Car surfaces are left with an incredible shine. Provides copious amounts of pink, yellow and blue foam when applied through air-injected foam generation equipment. Use in full-service and exterior-only tunnel car washes or with specially modified in-bay automatic equipment.

- At the proper concentration, foam is a distinct color that provides a clear indication of product application
- Produces large amounts of stable foam when applied through air-injection foam-generation equipment
- Contains no harsh solvent like butyl, any VOC (Volatile Organic Compounds), or any APE (Alkyl Phenol Ethoxylate) surfactants that are not as good for the environment
- Rinses easily so that there is no carry-over and also enhances the performance of the drying agent by completely rinsing from the vehicle's surface
