

# OFFICE - Where to Clean

**As frequently as is practical, clean hard surfaces that include but are not limited to:**

- Hand rails
  - Door knobs/handles
  - Elevator buttons
  - Sinks and faucets
  - Counter tops
  - Window sills
  - Light switches
  - Equipment controls
  - Cabinet and file drawer knobs/handles
  - Vending machines
  - Chair arms
  - Copier/printer
  - Fax control buttons
- **Emphasize sanitation of items that are used close to the face.**
- **Augment custodial services by providing sanitary wipes to all departments**
