ZEP RING MASTER

All-purpose bathroom cleaner

Versatile deep cleaner. Enhance your surface level cleaning and effectively eliminate bacteria, viruses, and other harmful pathogens.

- Quickly removes rust, scum, stains and alkaline scale (hard water deposits)
- The clinging, lime-green liquid insures complete coverage of vertical surfaces, while the color change to bright blue when rinsed or diluted with water insures a complete clean
- No strong acid fumes. Won't harm septic tanks when used as directed
- Fights odor-causing bacteria and provides a sanitary environment on cleaned surfaces
- Leaves a pleasant, refreshing fragrance

ZEP PRO 1 SPRAYER - 32 oz. Spray Bottle

Chemical-resistant sprayer with ergonomic trigger. Graduated label measurements for easy mixing. Sprays 3X more than regular sprayers.

- Adjustable nozzle can spray a mist or jet stream of up to 30 feet

ZEP MODEL 481 FOAMER

Low Volume Spray Applicator for Applying Highly Corrosive Chemicals

Requires only normal tap water pressure to sufficiently mix the right amount of detergent to produce a foaming cleaner.

- Change dilution ratios by using individual metering tips (included)
- All brass or rugged molded polypropylene construction and fittings
- Rubber-screened end cap produces extra thick foam
- Quick disconnect coupling on the pistol grip spray gun
